### With wine, let your palate recalibrate your budget

By Jerry Shriver, USA Today

Wine lovers are a notoriously choosy bunch even in the best of times, and now the sagging economy and creeping inflation are forcing us to become even pickier . . .

Here are a few wines that caught my attention . . .

**2006 Rutherford Ranch Cabernet Sauvignon, Napa Valley (\$18)**

2005 Line 39, Lake County (\$18)

2005 Duckhorn Vineyards, Napa Valley (\$65)

2005 Nickel & Nickel , John C. Sullenger Vineyard,  
Oakville, Napa Valley (\$85)

2005 Hall, Diamond Mountain District, Napa Valley (\$100)
